Summary

Aspiring Software Developer currently pursuing MCA with a strong foundation in Python, Java, C, MySQL and web technologies. Passionate about building software solutions and eager to learn, contribute and grow in a professional environment.

Technical Skills

Programming Languages : Python, Java, C, JavaScript (Basic)

Web Development : HTML5, CSS3

Databases : MySQL

Core Concepts : Object-Oriented Programming (OOP), Software Development Life Cycle (SDLC), Problem Solving

Projects

Periocular Based Unique ID Generation | *Python, Flutter, MySQL*

2023 – 2024

- Developed a biometric identification system using the periocular eye region for user authentication.
- Implemented Python backend logic for image processing, feature handling and unique ID generation.
- Integrated MySQL for structured storage and retrieval of user details.
- Designed a Flutter interface for registration, image upload and generated ID retrieval.

Student Management System | *Python, MySQL*

2025

- Developed a CRUD application to add, search, update and delete student records.
- Connected MySQL for efficient storage and retrieval of student information.

Portfolio Website | *HTML, CSS, JavaScript*

2026

- Designed a responsive personal portfolio website to showcase skills, education and projects.
- Implemented mobile-friendly layouts using HTML, CSS and basic JavaScript.

Certifications & Achievements

- Intel AI Aware & AI Appreciate
- HP LIFE – AI for Beginners
- Python Project – Bluegen Solutions
- ISRO / IIRS Workshops

Soft Skills

Problem Solving • Quick Learner • Teamwork • Communication • Adaptability

Education

Master of Computer Applications (MCA)

2024 – 2026

Aurora's Degree and PG College, Hyderabad

Osmania University

Bachelor of Science in Computer Science

Graduated 2024

MES Arts and Science College

CGPA: 8.6 / 10 | Department Topper
